DePaul Reaches Out to Community for Support

November 10, 2007 (Rochester, NY) In November, DePaul will kick-off its Annual Giving Appeal as it reaches out to area communities for support of its programs. DePaul provides needed services for the elderly, persons with a mental illness, people in recovery from an addiction, and those with developmental disabilities.

A contribution to the DePaul Annual Giving Appeal helps the agency as it seeks out progressive solutions that impact the lives of more than 5,000 individuals each year. The development of state-of-the-art programming aimed at encouraging recovery and maintaining independence; and the construction of progressive new facilities such the DePaul City Center in Rochester's South Wedge are just a few of the community resources made possible, in part, by a response to the Annual Giving Appeal.

All proceeds will benefit DePaul consumers and programs. Contributions can be mailed to *Annual Giving Appeal*, DePaul, 1931 Buffalo Road, Rochester, 14624. For more information, or to make a contribution by phone through a credit card, contact Lynnette Wilson-Cox at (585) 426-8000.

DePaul is a private not-for-profit agency founded in 1958 that provides assisted living services for seniors, mental health residential and treatment programs, addiction prevention and treatment services, and programs for those with developmental disabilities.
