Volunteers Needed at DePaul Senior Living Communities

(Rochester, NY) DePaul Senior Living Communities are looking for individuals to volunteer their time to participate in a variety of activities with elderly residents. Activities include playing cards, making crafts, and spending one-on-one time with residents who do not have family in the area. Opportunities are available seven days a week, with flexible hours. Commitments can be made on a one-time or ongoing basis.

In the greater Rochester area, DePaul has three not-for-profit senior living communities in need of volunteers: **Horizons**, located at 3132 State Route 21 South in Canandaigua; **Westwood Commons**, located at 50 Union Square Boulevard in North Chili; and **Woodcrest Commons**, located at 4455 West Henrietta Road in Henrietta. For more information, individuals can directly contact the Activity Director at the location they desire.

DePaul is a private not-for-profit agency founded in 1958 that provides assisted living services for seniors, mental health residential and treatment programs, addiction prevention and treatment services, and programs for those with developmental disabilities.
