

DePaul Breathes New Life into Old School

Built in 1896, Public School 60 has had a presence in the Buffalo, New York community for over 100 years, serving as the educational foundation for the Black Rock neighborhood until recently. Closed for ten years, the school will soon have a new lease on life. DePaul has begun converting the site into a mixed-use campus to include a total of 68 affordable housing units.

"This school will once again be a centerpiece of city living," Vice President of DePaul Properties, Inc. Gillian Conde said.

Representatives from the city of Buffalo, DePaul, SWBR Architects, R&P Oak Hill Development, New York State Housing and Community Renewal (NYHCR), state and local government officials, and members of Rediscover Riverside and the Black

Rock Riverside Alliance celebrated the groundbreaking of the Riverside Apartments on November 14 at 238 Ontario Street.

"This will be an economic catalyst for this area," said Buffalo Mayor Byron Brown. "These apartments will support area businesses, strengthen the fabric of community in Riverside and be a springboard for new investment."

The \$20 million project will be funded by a combination of \$1.5 million in city HOME funds, along with state and private funding. Over 350 construction jobs will be created, and later 40 permanent jobs will be added to the community. The Riverside Apartments are scheduled for completion in January 2014.

Carriage Factory News

Progress is being made on the Carriage Factory Apartments in Rochester, New York. Built in the 1900s for the production of horse-drawn carriages, the former Cunningham Carriage Factory is being converted into a mixed-use campus that will include 71 affordable housing units.

The \$22 million Carriage Factory project was highlighted by U.S. Senator from New York Charles Schumer during a press conference in early December. Senator Schumer was advocating for an extension of the Historic Tax Credit, which could be used in DePaul's redevelopment of the Cunningham Carriage Factory, located in Rochester's historic Susan B. Anthony neighborhood.

SWBR Architects is designing the Carriage Factory Apartments and Christa Construction is serving as the general contractor.

Remembering Connie Miller, an advocate for those with mental illness

Constance Miller, a former DePaul Community Services board member, passed away on September 9, 2012 at the age of 93. Mrs. Miller was a lifelong advocate for those with mental illness.

The Corfu native graduated from William Smith College in Geneva with a bachelor's degree in sociology and a master's degree in social work from the State University of New York at Buffalo. She worked at the Buffalo Psychiatric Center, eventually becoming unit chief. She also helped found the Genesee County Mental Health Association.

In addition to her work with DePaul, Mrs. Miller served on

the Rochester Board of Visitors to the Rochester Psychiatric Center, the Community Services Board of Genesee County and Living Opportunities of Western New York. She was named Volunteer of the Year by the New York State Mental Health Association in 1995 and received the Lifetime Achievement Award from the New York State Commission of Mental Health in 2002.

Bread Time Stories at Woodcrest Commons

Mix yeast, flour and water with memories, pour them into a pan and bake. The resulting fresh baked loaves of bread warmed Woodcrest Commons residents' hearts and bellies during a visit from Rochester's "bread man" Chet Fery in early-January. Fery shared recipes and "Bread Time Stories," memories of baking and giving away more than 10,000 loaves of bread in his lifetime. Pictured to the right, Brockport's Chet Fery kneads bread while Woodcrest Commons residents Doug Kurlan and Josephine Townley observe.

When Fery isn't baking and handing out loaves to people at the Rochester Public Market, he's giving community presentations on the benefits of random acts of kindness. During Fery's visit, residents reminisced, with one recalling how her mother would wake every morning at

4 a.m. before she went to work to bake bread, while another resident shared his fond memories of making challah bread with his grandmother on Saturdays, said Woodcrest Activities Director Lindsay Lown. Fery left residents over 30 loaves of his homemade Country White Bread.

Pictured above with Fery and one of his loaves is Woodcrest Commons resident Joanne Hackett.

NCADD-RA Prescription Drug Abuse Efforts Lauded

Director of the National Council on Alcoholism and Drug Dependence-Rochester Area Jennifer Faringer was recently recognized for her assistance with the Drug Enforcement Agency's (DEA) efforts to fight prescription drug abuse by promoting and encouraging the safe disposal of unwanted medications through the media. Faringer was presented with a Certification of Appreciation for her outstanding contributions to the field of drug enforcement at NCADD-RA's Meth and Other Drugs Task Force meeting on October 12. Faringer is pictured here with DePaul President Mark Fuller.

HOLIDAY HELPERS BRING JOY!

DePaul clients and residents throughout the agency were the recipients of much generosity during the holiday season.

DePaul's Holiday Helpers program makes the holiday season brighter for people in need in DePaul's mental health programs who are working toward achieving independence. The 2012 holiday program was a huge success thanks to the DePaul staff, Girl Scout troops, schools, places of worship, community organizations, businesses and individuals throughout the community who came together to ensure a bright holiday season for all. If you would like to become a Holiday Helper in 2013, contact Lynette Wilson-Cox at (585) 719-3103 or wwwwilson-cox@depaul.org to be included in future mailings.

A sincere thank you also goes out to those individuals and organizations who provided their time, talents and gifts to our seniors and clients throughout New York and North Carolina.

Helping Change Lives

Our agency has now grown to serve some 5,000 people annually in programs that encompass mental health residential and treatment services, senior living residential services, addiction prevention and support programs, vocational programs and affordable housing. In all of our endeavors, we are proud to have helped people go beyond what they think is possible.

Please consider a gift that will help us continue caring for those we serve. Every time we make a difference, every life we change for the better, every achievement great or small is a triumph. We invite you to be a vital part of making a difference.

For more information on making a donation, contact Marcia Dlutek at (585) 426-8000 or mdlutek@depaul.org.
