Horizons Senior Ball: Fish nets adorned with sea creatures, a life-size dock and a palm tree backdrop welcomed residents of Horizons, a DePaul Senior Living Community in Canandaigua, and students from the Canandaigua Academy's Key Club, a Kiwanis International high school program, to "Under the Sea," the theme of the third-annual intergenerational Senior Ball. Entertainers Cindy Kingsley and Jeff Clough provided the soundtrack to a perfect evening complete with starfish cookies and blue whale drinks.
