## Seniors pick fruit at local farm

Messenger Post staff

Residents at the Woodcrest Commons Senior Living Community recently picked fresh fruit at Gro Moore Farms, 2811 East Henrietta Road.

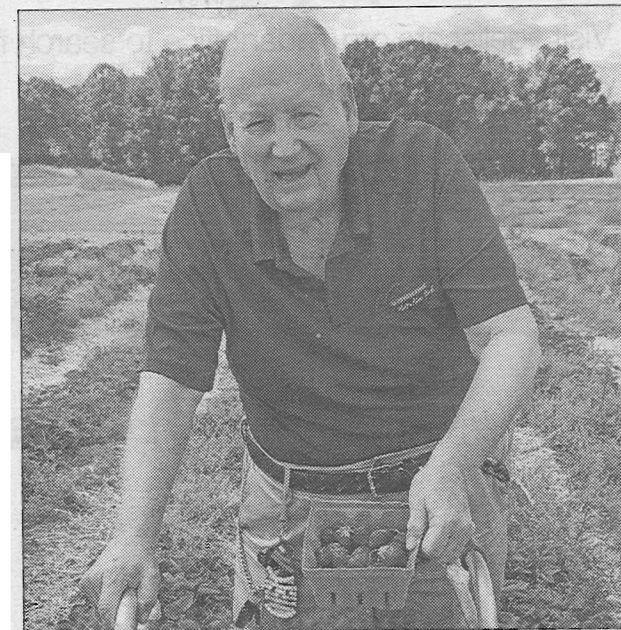

"It was a beautiful summer day and perfect to get some fresh air in the country," said Lindsay Lown, activities director.

Few berries made it home for shortcake, as most of them were eaten and shared on the porch when the residents returned from their outing.

Vroria Simpson's basket is overflowing at Gro Moore Farms.
