PHOTO OF THE DAY

Residents of Woodridge Assisted Living and Memory Care, a DePaul Senior Living Community, recently got a lesson in fire safety from the Monroe Fire Department. Firefighter Joseph Upchurch answered questions from residents, gave them a tour of the fire truck and even turned on the siren. Pictured here are Woodbridge residents Gloria King, Fred Gibbs and William Hildreth. Fire Captain Marshall Eubanks and Engineer Blair Stegall were also on hand to educate residents about fire safety.
