Wheatfield Commons celebrates grand opening

Pictured are SWBR Principal Architect Joe Gibbons, DePaul board member Gerald Scott, Hyland-Dion, and DePaul Senior Living Regional Director Tanya MacNaughton, along with Ruby, Wheatfield Commons' official mascot.

Wheatfield Commons, a DePaul Senior Living Community located at 3920 Forest Parkway in Wheatfield, celebrated its grand opening on Wednesday, Dec. 20. A 55,000-square-foot senior living community providing both assisted living and memory care accommodations to families in and around Niagara County, Wheatfield Commons is now open and accepting new residents.

Wheatfield Commons offers single-floor living in a well-appointed setting. The community features furnished private and semi-private suites with a choice of floor plan and fully equipped bathrooms in every resident room. Close to shopping, restaurants and places of worship, Wheatfield Commons is nestled in a park-like suburban setting with courtyards.

A covered front porch greets residents and visitors as they enter a warm and inviting community. Welcoming living areas with fireplaces and beautifully decorated dining areas are all part of an ac-

commodating, enriching atmosphere where residents receive the highest quality services and care. A cozy family dining room is available for private use and special occasions and individual mailboxes are also provided.

"At Wheatfield Commons, we strive to enhance each resident's quality of life by providing engaging activities, a supportive and caring staff and personal care services that promote independence and dignity," said administrator Kathy Hyland-Dion.
