GIRLS JUST WANT TO HAVE FUN

SUBMITTED PHOTO

Staff members at Cambridge House, a DePaul Senior Living Community in Hildebran, are making sure their residents are enjoying life by providing unique entertainers, festive crafts and relaxing manicures. Pictured are residents Elva Weatherman, Rita Hemond and Estelle Ward showing off manicures they received during a “Girls Just Want to Have Fun” activity. From pretty nail designs, music upon request, fun conversations and fragrant lotions, it was a popular day of pampering for the ladies at Cambridge House. Residents also welcomed entertainer Mavin Paige. As Paige sang songs like “Somewhere Over the Rainbow” and “You Are My Sunshine,” her dog would howl along.
