Westwood Commons, a DePaul Senior Living Community in North Chili, recognized National Assisted Living Week in September with a week of activities aimed at helping residents live life to its fullest.

This year's theme, "Capture the Moment," encouraged reflection as residents look back on pivotal moments in their lives, and served as a reminder to staff that the little, everyday interactions with residents are essential in delivering high quality, person-centered care.

### COMMUNITY

From Page A1

Activities included a presentation and old-fashioned hot cocoa with volunteers

from the Genesee Country Village Museum, Oktoberfest at Durand Eastman Park, bingo, games, and horse-and-buggy rides.

Call (585) 293-2060, email [smajor@depaul.org](mailto:smajor@depaul.org) or visit [bit.ly/zuQg3Vf](http://bit.ly/zuQg3Vf) for information.
