Happy Valentine's Day

There was no shortage of smiles and laughter celebrating Valentine's Day at Cambridge House, a DePaul Senior Living Community in Hildebran.

Pictured enjoying the festivities are Cambridge House Queen and King Annie and Eugene Buchanan, Pearl Berryhill, Rita Hemond, Bina Coffey and Activities Director Gabby Houston. Annie and Eugene are the only married couple residing at Cambridge House. "They are such a sweet couple," said Houston. "Eugene helps his wife Annie every day up and down the hallways and walking her to each meal. On the days she gets her hair done, he walks her up to our salon and sits with her until the hair dresser arrives."

In addition to voting for King and Queen, residents enjoyed a dance party, homemade egg and chicken salad sandwiches, cupcakes, cookies and punch.
