

Bandys cheerleaders visit senior living community in Denver

By From staff reports

Cheerleaders from Bandys High School paid a surprise visit to Wexford House, a DePaul Senior Living Community in Denver.

The junior varsity and varsity squad helped to spread cheer in the form of hand-

made cards filled with positive and uplifting messages, according to Amy Cavalier, DePaul communications coordinator.

"The girls were very excited to get out in the community and to give back," Carol Parker, Bandys junior varsity cheerleading

coach, said. "If all 37 girls perform one random act of kindness each day, imagine what an impact that would make."

The Bandys High School cheerleading squad is hoping to return to Wexford House again around Thanksgiving.
