

May 15, 2020

Just a few months ago, COVID-19 and its many severe repercussions were unheard of and unimaginable. In addition, this highly contagious virus has caused major disruptions of business, education, and transportation, having impacted and interrupted virtually every aspect of daily life. Across the world, millions of people have been affected in some way by COVID-19.

Going forward, we are working to understand what the future may look like in DePaul's own areas of service, in society and in our lives, knowing that compliance with such measures is imperative. When looking at this truly incredible DePaul team, we recognize each day that everyone in the DePaul family, those we serve, families, supporters, funders, and fellow employees, have profound appreciation for the inspired and tireless contributions you are making each day. Those acts bring hope...and hope lifts us to discover new possibilities. [#DePaulStrong](#)
