

The DePaul family has always worked hard to make a difference for our people and our communities. In these unprecedented times, we are forever grateful for the countless acts of humanity that raise our spirits and make each day brighter. We hope you'll join us in celebrating the good that we see at DePaul, as we navigate this journey together.

Edition #12

Fun and Games

From Tic Tac Toe and Mad Libs to creating sunshine in the form of creative crafts, DePaul residents are digging deep to keep busy and have fun!

A resident at Twelve Oaks in Mt. Airy, North Carolina, shows off a puzzle she completed; a resident made a banner for the staff at Edgerton Square in Rochester, New York; residents at Woodcrest Commons in Henrietta, New York, and Heath House in Lincolnton, North Carolina, show off summer-themed crafts; Property Manager Amanda Linder made a wooden cornhole game set for residents at the Skybird Landing Apartments in Geneseo, New York; a resident at Westwood Commons in North Chili, New York, completes Mad Libs, and a resident and her daughter enjoy playing games during a window visit at Twelve Oaks.

Caring Matters

We are ever so grateful for the notes of appreciation from loved ones of those in our care letting us know what our dedicated, wonderful employees mean to them. We are proud to be the next best thing to one's own family!

I can't say enough about Charity
and the Twelve Oaks staff.

**A truly
amazing team.**

DEAR TWELVE OAKS MEMORY CARE STAFF,

Thank you so much for caring for my Mama - for being my eyes and ears during this pandemic, for answering all my phone calls, day and night, and for calming my fears at all times.

Especially, thank you for letting us be with Mama during her final days. That is something no one can take away from us.

Reasons to Celebrate

Congratulations to some of the many residents in DePaul's care celebrating milestones!

At Twelve Oaks in Mt. Airy, North Carolina, the family of resident Benton Butcher provided cake for residents on Father's Day; Zenia Sutphin's family brought cake in for her birthday; Memory Care Unit Director Alicia Lambert decorated a tree for the Fourth of July holiday; Mary Baugham's daughter Denise Scott brought her gifts and cupcakes

for the residents to enjoy in honor of her mother's birthday, and a resident at Wexford House in Denver, North Carolina, received a signed card, a balloon and window visit from family on Father's Day.
