

The DePaul family has always worked hard to make a difference for our people and our communities. In these unprecedented times, we are forever grateful for the countless acts of humanity that raise our spirits and make each day brighter. We hope you'll join us in celebrating the good that we see at DePaul, as we navigate this journey together.

Grandparents Day

Grandparents Day was Sunday, September 13 and DePaul's seniors have plenty of reasons to be grateful!

Many shared memories of their own grandparents and grandchildren on DePaul's social media pages, including two residents from Glenwell in Cheektowaga, New York pictured above!

Caring Matters

We are ever so grateful for the notes of appreciation from loved ones of those in our care letting us know what our dedicated, wonderful employees mean to them. We are proud to be the next best thing to one's own family!

Busy Hands and Minds

From art to puzzles, DePaul residents are getting creative when it comes to keeping entertained, engaged and active!

Pictured above, artwork from residents at Westwood Commons in North Chili, New York who participated in a coloring contest over four weeks is on display. Staff voted on their favorites which are labeled with blue ribbons! Residents at Glenwell in Cheektowaga, New York contributed to collaborative works of art including the apple featured above. Also pictured, residents at Pee Dee Gardens in Florence, South Carolina pass the time with puzzles and exercise classes.

Bingo Must Go On!

There's just no stopping bingo! Staff at DePaul sites across the agency have found a way to make the favorite pastime possible while social distancing!
