Horizons hosts Corvette Club

CANANDAIGUA — With classic cars in the driveway and happy hour on the porch, residents are soaking up the summer vibes at Horizons, a DePaul Senior Living Community.

The Kanandaigue Corvette Club recently rolled up in style with 13 classic and collectible cars, including Corvettes spanning the years, from a 1962 to a 2014.

The Club, which meets monthly, wanted to get out for some socially distant interaction, member Jeff Criblear said. In addition to Horizons, they visited four other senior

living communities in the Canandaigua area on the same day. The car show was a hit among seniors, so much so, Club members are thinking of making it an annual event.

“Our members enjoyed it a lot,” he said. “Most of us have been on lock down too.”

In addition, to the car show, residents recently enjoyed a happy hour with refreshing strawberry and lime drinks on

the rocks.
