

The DePaul family has always worked hard to make a difference for our people and our communities. In these unprecedented times, we are forever grateful for the countless acts of humanity that raise our spirits and make each day brighter. We hope you'll join us in celebrating the good that we see at DePaul, as we navigate this journey together.

Home Sweet Home

When it comes to home, DePaul is the next best place to being with family! Staff and residents across the agency have been going that extra mile to bring comfort and care to those who reside in our communities.

Pictured top row, left to right, residents at Westwood Commons in North Chili, New York sampled cheese and grapes, a resident at Seneca Square in Buffalo, New York prepares comfort food in the form of meatloaf and a resident at Woodridge in Monroe, North Carolina shows off her fresh hair style thanks to salon services offered by staff.

Close at Heart

Whether it's a virtual chat, window visit, or socially distanced visit outdoors, residents at DePaul's senior living communities have continued to be comforted by the faces of loved ones and community members!

Pumpkin Picassos

Have pumpkin, will paint, carve, or decorate! There’s no end to the creativity and inspiration when it comes to pumpkins across DePaul!

The decorated pumpkins were then “passed forward” to residents at Southport Health & Rehabilitation Center.

Arts and crafts

DePaul seniors have been creative and crafty with art therapy!
