

The DePaul family has always worked hard to make a difference for our people and our communities. In these unprecedented times, we are forever grateful for the countless acts of humanity that raise our spirits and make each day brighter. We hope you'll join us in celebrating the good that we see at DePaul, as we navigate this journey together.

### **Creature Comforts**

When it comes to home, DePaul is the next best place to being with family! Staff and residents across the agency have been going that extra mile to bring comfort and care to those who reside in our communities.

Pictured above, residents at La Rosa Villas in LeRoy, New York have been enjoying movie days and nights, a dietary staff member at Rolling Ridge in Newton Grove, North Carolina serves up blackberry cobbler, and a resident gets ready to dig into a sundae on National Peach Melba Day at Glenwell in Cheektowaga, New York.

## Fun and Games

From memory games and puzzles to cheering on the home team and celebrating unique holidays, DePaul residents are digging deep to stay entertained and have fun!

## Overflowing with Gratitude

The outpouring of donations of support from families and community members in recent months has truly been overwhelming. From the food and cards to acts of service, donations of personal protective equipment, and much more, we are beyond grateful.
