CHEEKTOWAGA'S NEWSPAPER

SUMMER CELEBRATIONS – Residents at Glenwell, a DePaul Senior Living Community in Cheektowaga, have been celebrating the summer in a variety of ways. At left, Paul Armbruster displays an upcycled paper bag craft project donated by CarePatrol of Buffalo-Niagara in honor of National Paper Bag Day. At right, Ann Grosskopf participates in Hawaiian Night, where activities included learning how to tell a story using Hula dance, games such as flip-flop toss and volcano bean bag toss, crafting Haku leis and listening to Hawaiian music.
