Discipline and Enforcement of Compliance Standards Policy

Purpose:

DePaul (sometimes referred to as “Organization” or “the Organization”) is committed to conducting its business ethically and in conformance with all Federal and State laws, regulations, interpretations thereof, and DePaul’s Standards of Conduct. To support this commitment, DePaul has developed procedures for disciplinary actions to be taken for illegal or unethical acts; violations of Federal or State laws and regulations; violations of the Standards of Conduct, the Compliance Program, and DePaul’s policies and procedures; improper acts in the delivery or billing of services; and other wrongdoing (collectively referred to as “compliance violations” for purposes of this Policy) by Affected Individuals.

For purposes of this Policy, the term “Affected Individuals” includes all persons who are affected by the required provider’s risk areas including the required provider’s employees, the President and other senior administrators, managers, contractors, agents, subcontractors, independent contractors, and governing body and corporate officers.

2. The following actions shall result in disciplinary action:

 - Falsification of records;
 - Submitting or causing to submit a false claim;
 - Failure to report a violation by a peer or subordinate;
 - Failure to cooperate in an investigation; and
 - Retribution, retaliation, or intimidation against a person for reporting a possible compliance violation or participating in an investigation.
3. DePaul will apply progressive discipline consistent with the violation. Examples of the disciplinary action that may be taken in accordance with the nature and scope of the infraction include but are not limited to: (a) verbal counseling or warning; (b) counseling with written warning; (c) retraining; (d) reassignment or demotion; (e) suspension without pay; and (f)

termination of employment, contract, assignment, or appointment. DePaul will consider intentional or reckless behavior as being subject to more significant disciplinary action.

4. The Compliance Officer will be responsible for assuring that disciplinary actions related to compliance violations are consistent with actions taken in similar instances of non-compliance and that the same disciplinary action applies to all levels of Affected Individuals.
